

MILLER, Kenneth W. 78, of Medway, Ohio passed away Sunday, February 17, 2013. He was born March 2, 1934 in Joliet, Illinois the son of the late Wilbert & Dorothy Miller. He is survived by his wife, Connie Weatherford and four children; Lynda Killebrew, Lisa Tanner, Holly Jacobs and William Jeffrey Miller; granddaughter, Beth Tanner, grandsons, Kyle & Austin Jacobs; and many nieces and nephews. He is preceded in death by his first wife, Germaine Miller. Mr. Miller graduated with a BS degree in Aeronautical Engineering and after four years in the U.S. Air Force he accepted a civilian position with the Foreign Technology Division now known as the National Air and Space Intelligence Center (NASIC). NASIC is the Air Force Center of Excellence for tailored all-source foreign air and space intelligence. He provided his expertise on intelligence platforms based on his life long work in the MASINT discipline as well as his vast experience in other intelligence disciplines including all-source intelligence. The innovations and techniques developed by him during his tenure at NASIC formed the cornerstone of NASIC's national processing, analysis and reporting of many national level radar, infrared and optical intelligence sensors still used today. Private services at the convenience of the family. In lieu of flowers send contributions to the [American Heart Association](#) , 5455 N. High St., Columbus, Ohio 43214. Arrangements by the TROSTEL, CHAPMAN, DUNBAR & FRALEY FUNERAL HOME, New Carlisle, Ohio. Expressions of sympathy may be sent to www.trostelchapman.com
