

## **A. FRANCIS ARCIER SCHOLARSHIP PROGRAM**

The A. Francis Arcier Scholarship Program recognizes: (1) the children and grandchildren of current National Air and Space Intelligence Center (NASIC) employees (active duty military and civilian employees), and (2) children and grandchildren of former employees (Alumni) of NASIC or predecessor organizations.

Applicants must be high school seniors who plan to attend college or college students in an undergraduate program. The scholarship provides a monetary award to the individual(s) who is (are) judged to have demonstrated superior personal and academic qualities.

Certain eligibility limitations are described in the attachments to this package.

An impartial board comprised of Alumni Association members will evaluate each application. Applicants are evaluated solely on the basis of personal and academic qualities as indicated by scholastic performance, participation and leadership in extracurricular activities, recommendations by teachers (professors) or community leaders, and applicant's interests and longrange goals. Please follow the instructions and submit the package by the deadline given.

Keep in mind that the review committee will be evaluating applicants on the basis of their application package; therefore, overall appearance and completeness (substance and form) are likely to affect the final rating. For further information, please contact Al Hendricks at 937-750-1221 or [david.a.hendricks@gmail.com](mailto:david.a.hendricks@gmail.com)

## **A. FRANCIS ARCIER SCHOLARSHIP AWARD DESCRIPTION**

### **AWARD**

In 2017, the NASIC Alumni Association awarded \$14,000 in scholarships. Over \$15,000 was raised from funds raisers such as our annual golf tournaments, personal and corporate contributions. Our goal was to match or exceed previous levels and we were extremely successful thanks to the generosity of our NASIC members. As a result we were able to significantly increase the awards given in 2017. NASICAA is registered as an approved organization on the Combined Federal Campaign and we are obviously hoping this will generate even more revenue for our scholarship program for next year's awards.

### **DEADLINE**

The complete application package must be postmarked by **Friday, 9 March 2018**. Applications will not be evaluated before this date. The NASIC Alumni Association and the Scholarship Committee are not responsible for late, lost, damaged or misdirected mail.
